AED Escalate Details

Exclusive Discounts

Receive a 10% discount on electrodes and batteries for our LIFEPAK and Powerheart AEDs.

Post Shock Services

In the event that your AED is used, we ensure that your program continues to run seamlessly. From providing a loaner AED, doing an event download, creating a post-incident report, to replacing your electrodes at no additional cost, we have you covered. And don't worry, shipping is on us.

Medical Direction

Medical Direction for AED programs are recommended by the Heart and Stroke Foundation and WorkSafeBC. Our version includes guidance from a qualified physician on training, special situation protocols, AED policies and procedures, and post-arrest data management.

Access to a Medical Professional

Our physician access service allows you to connect with a qualified physician or Advanced Care Paramedic with any questions you may have while setting up and running your AED program.

Annual Donation that Empowers Youth to Save Lives

5% of your annual membership will be donated to the ACT Foundation – an organization that trains thousands of Canadian high school students in CPR and AED use.

Chance to Win an AED

Each December, you will be entered into our Annual AED draw. The winner will be notified directly and announced through our blog and social media.
