October Discount: 10% Off BLS-HCP Course

Sudden Cardiac Arrest Month
In support of Sudden Cardiac Arrest Awareness Month we are pleased to offer ten percent off any Heart & Stroke Basic Life Support course for Healthcare Providers booked during the month of October.

The promotion can be used for any course offering for the remainder of 2014 if registered by October 31st, 2014.

Course Details
The Heart & Stroke Basic Life Support for Healthcare Providers is a classroom course that is designed to teach a variety of healthcare professionals how to recognize a number of life-threatening emergencies, how to provide CPR, how to use an Automated External Defibrillator (AED) and how to relieve choking in a safe, timely and effective manner.

- Saturday December 6, 2014

Training the Iridia Way
At Iridia, we believe that we learn by doing. Our courses are hands-on and interactive. Our student-to-instructor ratio is kept low and our courses are delivered in a low stress environment by experienced, well-respected instructors. Clinical case studies are used to maximize practicality and tailor the material’s relevance to class participants.

How to Register
Visit www.iridiamedical.com and register for the Basic Life Support - Healthcare Provider Renewal course. At the checkout, enter the promo code to receive 10% off the course.
